

If you air this smear of a decent soldier, in violation of the intent of FCC regulation, you can consider your station(s) in my area to be history in my household. Insofar as possible, we shall boycott the businesses who sponsor this event. Actually, it is not at all difficult to give up corporate TV. We get our news from good papers, and the press from the rest of the world. I fought in Viet Nam; I did the bidding of corporate America. I sweated, was shot at, and lost friends while you got rich. You WILL NOT destroy our Constitution, our civil liberties, and our access to information. At least half of us out here are on to your hate, smear and distortion. John Kerry a traitor? No way. We know who the traitors are!
